SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

MEMBRANES

Pursuant to 37 C.F.R. §1.97, Applicants hereby call the Examiner's attention to documents listed on the attached form, which documents may be material to the examination of this application. A copy of each of the documents is enclosed herewith with the Express Mail copy for the Examiner's consideration.

No inference should be drawn that any method disclosed is equivalent to the subject invention. Also, the citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicants also respectfully reserve the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the present patent application.

This Supplemental Information Disclosure Statement is being submitted with the enclosed Request for Continued Examination and the required fee for a Request for Continued Examination.

Accordingly, it is believed that no additional fee is required for the submission of this Information Disclosure Statement.

However, should an additional fee be required, authorization is hereby given to charge Deposit Account 50-1039.

Respectfully submitted,

Date: March 30, 2004
